

NLP Canada Training Practitioner Certification

At NLP Canada Training, you'll work with a community that turns the best evidence into practical techniques. Ask questions, practice hard, and have fun while you learn to make change happen in you and around you. Neurolinguistic programming (NLP) is a toolkit for learning, development and change. It was developed in the 1970s as a practical way to help people identify better choices for their feelings, goals and relationships.

Pricing

Individual plus Individual Application Sessions (3) \$2285 + tax

Individual \$1885 + tax

Couples, Groups, Retired Seniors, or Full-Time Students, \$1425 + tax per person

NLP Practitioner plus the NLP Master Practitioner, \$3285 + tax per person

Payment Plans

We'll work with you to develop a payment plan you can manage. Normally a 20% deposit is required before the course begins, and we'll agree on monthly payments to be made by pre-authorized credit card or PayPal. There are no extra interest charges or fees as long as you make your payments regularly.

Live on Zoom

Training is live on Zoom and you will spend most of your time in a breakout space with one or two other people. Days run from 10:00 AM Eastern to 5:30 PM Eastern (Adjust for your time zone). We never record and we do not allow recording.
